PLUGFONES®

The wireless earbud/earplug hybrids that provide the ultimate hearing protection and listening experience.

SOVEREIGN

Combines comfortable, noise-reducing earplugs with high quality speakers.

PN: PF-PS-BB
$174.00+GST

- Listen wirelessly from a bluetooth enabled smart device, including Apple and Android phones and bluetooth radios.
- Answer calls with the tap of a finger, while the noise isolation microphone identifies, isolates and kills environmental noise.
- Contours to the ear canal for superior comfort.
- Up to 24 hours play time: 6 hours from the earplug set with another 18 hours in reserve in the portable charging case.
- Water resistant and sweat proof.

PN: PF-PS-BRBB
$225.00+GST

SOVEREIGN DUO

- All the features of the Plugfones Sovereign, in a set of two.
- Use one set whilst charging the other to ensure there are no interruptions to your listening experience.

Ensure workers are protected from hazardous noise levels while boosting productivity and morale.

In-ear noise reduction of **22dB** (Single Tier Foam Tips / ComforTiered Silicone Tip) or **19dB** (Single Tier Silicone Tips).

Premium speakers emit a more dynamic sound.
